## TRAVEL PROGRAM: October 12 till 27

### Day 1 – October 12th

Arrive at Cusco airport, transfer to hotel in Cusco city. Since the flight is quite long and strenuous, they have a day off to sleep and get used to the altitude.

### Day 2 – October 13th

Breakfast at the hotel. Later in the morning we meet the group in the hotel lounge. After a Peruvian lunch together, we drive to a natural power place to greet the Cosmic Mother, “Pacha Mama” and her guardian of the earth, mountains and elements. This first ceremony, led by several Qeros Inca Shaman Elders, is always impressive and intense. In this ceremony we ask Pacha Mama for permission and protection. At the beginning of the journey it is optimal to express your personal intention. In the evening we can have dinner together. However, some would prefer to go to sleep (jet lag!), so they have free choice!(F/L)

### Day 3 – October 14th

Breakfast at the hotel. Early in the morning the bus takes us from Cusco to the Sacred Valley. We visit various power places and villages and experience a great lunch buffet right on the famous Urubamba River. Our hotel for the night is in the Sacred Valley (F/L/D)

### Day 4 – October 15th

Breakfast at the hotel. In the morning we visit Ollantaytambo, an ancient temple complex, with a ceremony with a large sun gate. Silent meditation above. After lunch in the village, there is free time before we take the famous Inca Trail train to Machu Picchu. Our hotel is located in Machu-Picchu/Aguas Calientes. Dinner at the hotel. (F/L/D)

### Day 5 - October 16th

The Machu Picchu shuttle bus takes us to the famous condor temple city “Machu Picchu”, one of the 7th wonders of the world. Machu Picchu is well hidden in the Andes at around 2400 meters. We are up there all day, visiting the various temples, the Inca Wall and the Sun Temple. We are led by Q'ero shamans or local guides. We will be in the right place at the right moment. We will visit the Temple of the Condor, the Sun and the Moon and ceremonies will take place spontaneously at various places of power if possible. (Unfortunately, ceremonies have been banned from most public places of power, especially since 2012)

Machu Picchu has a strong energy field and you get enough free time in the morning to be attracted to the right places. We meet for lunch at the Machu Picchu restaurant. After lunch you can return to the hotel, visit the market in Aguas Calientes or stay up in Machu Picchu as you wish. (A re-enter ticket of \$50 for the afternoon must then be purchased in advance when booking). Machu Picchu has made entry requirements very strict. Dinner at the hotel (B/L/D)

see following days program on the website
